Route description

Coming from the direction Amsterdam and Amersfoort on the A1 highway, take exit 9 (Laren/Hilversum). Turn right at the traffic lights. You are now driving on the Hilversumseweg. Continue along this road (mind the speed camera!), until you pass a deer park on the left. Take the first road on your left (Stationsweg). You will see 'De Lindenhorst' office on your right hand. There are parking spaces available directly outside our office, on the left side of the building.
